

Vision Document Management

VisDocs is an integrated module you can add to any Vision application. VisDocs provides a complete Document Management solution within Vision software.

VisDocs is designed to eliminate the need for a third party Document Management Solution. It provides for the storing of the following document types:

- ❑ Microsoft Office Document
- ❑ PDF file
- ❑ Image file
- ❑ Video/Audio file
- ❑ Visio Document

Security and data integrity are inherent in our architecture by leveraging the power of Microsoft SQL Server, we utilize the latest features in binary streaming technology to provide fast, efficient, and centralized document storage for your document attachments.

We look forward to answering any questions about what we covered or what you wish to learn more about.
